Docket Number: E-01345A-16-0036**Docket Position:** Against

Good Morning.

I am a residential, non solar, customer of APS and have been for almost 32 years.

In the 80's we signed up for the demand charge plan. It was awful. It is extremely hard to regulate in the summer. AC kicks on in afternoon while cooking dinner and then cleaning up (hot water). etc. Summer months bills were above what they were with a standard plan.

I am against this plan as mandatory. I have time of day and follow it. Please do not take away my choice.
